Mr. L. C. Rasmussen,  
Sec. Twin & Cedar Creek Irr. Co.,  
Mt. Pleasant, Utah.

Dear Sir;

RE: TWIN & CEDAR CREEK DISTRIBUTION

I am in receipt of your letter of August 20 and note the statements which it contains.

While I am as liable to mistakes as the next man the fact remains your Company has not cared to bring this matter to my attention for over two months and in fact, did not see fit to show the common courtesy of acknowledging or answering my several letters.

As previously intimated I have asked the Attorney General to take legal steps as called for by the statutes for the collection of the assessment due from your Company.

Yours very truly,

State Engineer.
